## EDUCATION

### Computer Science

*WSB Merito | October 2023 - present*

- Part-time first degree - Engineering degree

### Geology

*University of Adam Mickiewicz in Poznan |  
October 2014 - September 2020*

- First degree studies, Geology with elements of geotechnics.  
Obtained title - Engineer.
- Master degree studies, Geology.  
Obtained title - Master of Geology.

## EXPERIENCE

### Geoprofil

*Senior geologist, documenter | July 2020 - present*

- interpretation of research results;
- preparation of geological and geotechnical documentation;
- preparation and interpretation of laboratory tests;
- supervision of geological works;
- contact with the designer.

### Geoprojekt

*Geologist | February 2019- July 2020*

- Geological drilling;
- performing dynamic and static probe;
- geotechnical construction services.

## COURSES

### Z2JUNIOR

*Frontend online course | February 2024*

- Improving knowledge of HTML, CSS and Javascript;
- Working with the frontend using the React library.
- Creating responsive websites;

### MegaK

*Online course on backend development | September 2022-  
January 2023*

- Creating a backend using the Node.js environment and the Express.js framework;
- Learning about relational (SQL) and non-relational databases (MongoDB);
- Use of Git version control;
- Creating REST APIs;
- React library basics;
- Writing unit tests using Jest.

## ABOUT ME

I have been passionate about computer science and computers since my early years. Over the past two years, I have been intensively delving into the intricacies of programming, focusing mainly on creating websites and web applications.

In 2023, I also started part-time studies. Balancing work with studies, after the first semester, I was awarded a full scholarship for top-performing students.

## PROGRAMING SKILLS

### JAVASCRIPT

- TypeScript;
- Node.js;
- React;
- Express;

### DATABASES

- MongoDB;
- MySQL;

### OTHERS

- RestAPI
- C#;
- NPM;
- Git;
- CSS;
- Tailwind;
- HTML;
- JEST Tests;

## SKILLS

- High resistance to stress;
- High creativity and innovation;
- Willingness to learn and self-development;
- Can-do attitude;
- Good manners;
- Excellent time management;
- Work under time pressure;

## LANGUAGES

- Polish - native;
- English - level B2 - FCE Cambridge English certificate;
- German - basic
